Florida Bar Member - Over 30 Years

Over the past 30 years, I have dedicated my career to the zealous representation of my clients. I firmly believe in giving a voice to injury victims and their families. I have handled cases throughout the State of Florida, and I have co-counseled on personal injury cases with attorneys in other states. I am currently available to prospective clients seeking out help.

As a lifelong Floridian and Double Gator University of Florida graduate, I have strong roots in Florida. I am a proud Flagler Beach small business owner and resident. With a population of about 5,000 people, Flagler Beach is filled with residents, guests, and visitors who deserve to have their rights protected and enforced.

If you want to talk to an attorney today and get professional advice with years of experience in the field to back it up, contact me. I offer Free Consultations on all personal injury matters. If I accept your case, I will represent you on a contingency basis, which means that there will not be any attorney fees or costs charged to you unless I recover money from the at-fault party.

I know what it's like to work hard for a paycheck. Before becoming a lawyer, I dug ditches as a landscaper and flipped hamburgers as a McDonald's cook. I understand and appreciate the value of hard work. In recognition of my clients' potentially difficult work schedules, I am available early in the morning, later in the evening, and on weekends.
